ELECTION WITH TRAVERSE

Commissioner of Patents and Trademarks
Washington, D.C. 20231

Sir:

This is in response to the requirement for restriction under 35 U.S.C. 121 mailed from the U.S. Patent and Trademark Office on May 5, 2006, to which a one month shortened statutory period for response is set to expire on June 5, 2006.

Because this response is being filed by the initial due date for response, an extension of time and the government fee associated therewith should not be necessary for maintaining the pendency of the application. However, if any extension of time is required to maintain the pendency of the application, this is an express request for any required extension of time and authorization to charge any necessary fee to Deposit Account No. 19-0089.

Reconsideration and withdrawal of the requirement for restriction is respectfully requested in view of the remarks which follow:
